Proof of Settlement under Homestead Act.

The State of Texas,

County of Hays.

BEFORE ME, the undersigned County Clerk in and for the County aforesaid, this day came and personally appeared Antoine Rozelle, a resident citizen of said County, who being by me duly sworn, declares that he is a bona fide settler upon Eighty acres of vacant public land, situated in said County, and surveyed for Antoine Rozelle on the day of 1877, by B. C. Hardin, a Surveyor of said County; that he has occupied and improved the same as a Homestead for a period of three consecutive years, beginning on the day of June 1875, that he is now the head of a family and that he makes this affidavit for the purpose of obtaining a title to the same for a Homestead, under an Act supplementary to "An Act for the Benefit of Actual Occupants of the Public Lands," approved May 26th, 1873, and Acts prior thereto; and that he has not a Homestead other than the above.

And also at the same time came and personally appeared Albert Heaton and E. P. Raymolds, two credible resident citizens of said County, to me well known, who being duly sworn, depose and say that Antoine Rozelle the person first above named in this affidavit, has actually settled upon and cultivated as a Homestead, the land surveyed for him on the day of 1877, by the Surveyor aforesaid, for the period of three years, and they nor either of them have any interest in the said land.

Sworn to and subscribed before me, and I hereby certify that Albert Heaton and E. P. Raymolds are credible and trustworthy citizens of said County.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of said County, at office, this 27th day of

May 1879
